Camp JLAP
The Solomon Conference &
Retreat Center - Loranger, LA
July 13, 14, and 15, 2018

Dear JLAP Monitors, JLAP Monitoring Participants, and LSBA CADA Members,

We are very excited to announce that the JLAP Annual Seminar is evolving yet again in order to keep pace with best practices in promoting and supporting a strong network of legal professionals in recovery and also professionals who support JLAP and Well-Being in the legal profession.

We have learned from other states such as (Tennessee, Mississippi and North Carolina) that their programs have benefitted greatly from producing a CAMP JLAP weekend in a natural setting, rather than a one-day CLE Seminar in a city hotel, all so as to maximize the fellowship of the spirit and strengthen our statewide recovery community.

You will be receiving an agenda with CLE credit information as well as registration information in the future, but in the meantime please mark your calendars and plan to attend!

With best regards and looking forward to a great event,

Sincerely,

A handwritten signature in blue ink that reads "Craig L. Caesar".

Craig L. Caesar
CADA Chair
